Hi Amy,

It's my understanding we will be discussing this further when we come down to visit. I believe we have tentatively arranged to meet with Dick and Kerry on Friday.

Subject: Mailing list

Hi Terry: It was nice to see you last week - hope you made it home safely! I wanted to touch base with you as a follow-up to the meetings. As discussed, we want to mail out EPA's draft report for comments and are in the process of compiling our mailing list. We would like to include interested parties from the Department's public hearing mailing list as well. Can you have someone email me the mailing list for North Dakota Department of Health - Air Pollution Control Program public hearings? Thanks for your help and hope it's not too cold up there in the North! Amy
